Thanks Angeles.

From my perspective, I don't think it is all that urgent since the Tribes can sign the tolling agreement after Feb 5 and it will still protect their claims, but I would defer to EPA and DOJ counsel on that.

It is my understanding that EPA would still sign the Deferral Agreement as long as ARC had signed the tolling agreement. We can't rely on or pressure tribe to sign until they are ready.

Ginny and Tashina,

Attached is the NRD Tolling agreement signed by ARC and all Trustees except the Tribes. DOJ requested all the Trustees signatures by Monday. Please let me know if you have any questions. I am in the office all day today.

Thanks,

Angeles
